Blue Star Mothers of America, Inc. NY #1
Attn: Mrs. Kathy Ziegler

Dear Members of the Blue Star Mothers of America, Inc. NY #1,

Honor Flight Rochester is currently in our fourth year of full flight operations and has successfully airlifted more than **1,000 area** Veterans to view the Memorials built in their honor in Washington DC. It is time to celebrate this success with acknowledgement and sincere thanks to generous people like you who have made these flights possible.

On behalf of area WWII veterans, who benefit directly from your gift Honor Flight Rochester wants to thank you for your support of our critical mission.

With your donation, Rochester area WWII veterans will continue to travel as our guests to the Mall in Washington, DC to experience and share together each Memorial. It is by their collective heroism and sacrifice 67 years ago that today we enjoy our very way of life here in America and that so many others live in freedom throughout the world.

Because of your gift more of these heroes will now experience their own once-in-a-lifetime Honor Flight.

With sincere appreciation,

Elaine
